## **Indiana PHCC Contractor on National Board**

INDIANAPOLIS—The Plumbing-Heating-Cooling Contractors-National Association (PHCC) installed new officers and members of the board of directors at the 126th annual convention's Oct. 3 closing banquet at the Georgia Aquarium, Atlanta, Ga. Brad Isley, L.E. Isley & Sons, Westfield, was installed as the Zone 3 Director representing Illinois, Indiana, and Michigan. His term runs for three years. Brad's grandfather, the late Paul Isley, served as a PHCC—National Association Zone Director in the 70's.

Brad is a past president of the Indiana PHCC and the Greater Indianapolis PHCC. He was named the Indiana PHCC Contractor of the Year in 2008.

“There is no one who brings a better combination of youthful energy and respect for the industry than Brad”, said Dave Frame, Indiana PHCC Past President. “He continued to be active and support the association at all three levels even while taking the reins of the family business with his brother, Doug. We need more members like Brad.”
